

CENTRAL BOARD MINUTES
November 23, 1943

President Cuthbert called the meeting to order and the minutes of the last meeting were read and approved.

Cuthbert announced that five minutes of the next convocation will be devoted to stimulating student interest in International Students' Day, and that there will be a special convocation for its observance on February 10. It was suggested that some memorial to former students now in the service be developed, but no definite plans were made. Cuthbert appointed Luebben and Kinkade to investigate the different sources from which the names of former students may be obtained.

George Prlain, War Activities Committee Chairman, discussed with the board the problems involved in sending the Kaimin to students now in the service and the possibility of establishing a newsletter to be sent to them. He suggested that freshman girls be allowed Spur points for helping with the War Activities program.

Eileen Plumb, past Spur president, asked the board's opinions regarding a Sadie Hawkins dance tentatively planned for this quarter. This dance has formerly been sponsored by ASMSU and managed by ex-Spurs. This year the Spurs would like to be given a share of the profits for their work on the dance. This would be transferred to the active Spur Chapter. Action on this was delayed until the next meeting of the board.

Meeting Adjourned.

Barbara Warden,
Secretary

Present: Cuthbert, Hansen, Murphy, McKee, Dillavou, Kinkade, Luebben, Harrison, Plumb, Badgley, Prlain, Briggs, Warden
